How long have you worked at The Dearne ALC?

3 Years in April, I came here from my previous school to take the position as an Assistant Principal

What is your favourite thing about working at The Dearne ALC?

One of the things I like most about the Dearne ALC is the Positive Atmosphere created by staff and students alike. There is a real family feel about working here and staff and students are supportive, friendly and caring.

My Aspirations

I want to spend more time with my family and friends in a new home. I also want to travel the world to other exciting exotic locations with my husband and Archie. I would also like to fulfil my childhood dream of owning two dogs and perhaps write a novel.
