

Dear (name of parent)

We are delighted to inform you that (child) has been selected to study our highest ability Academia Curriculum at Astrea Academy Dearne. This curriculum has been designed for children who we have identified as scholars who will achieve only the very top grades in all of their GCSE subjects in Y11. The Academia curriculum will develop resilience and independence and form the foundations for a successful and fulfilling future career through the highest level of academic ambition.

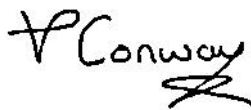

This challenging and purposeful approach to learning in core subjects at KS3 will establish a passion for learning that leads to success in their next key stage and beyond, developing the character and culture to become an ambassador of high aspirations

We would love to share this exciting offer with you and invite you to attend an Academia Information Evening on **Monday 23rd September 2019** at **5pm** where we will be able to explain in more detail how your child will be accessing our new high aspiration curriculum and how you will be working with us to celebrate the future success and achievement of child.

Yours sincerely

Mrs J Wilson
Principal

Miss V Conway
Associate Vice Principal: Learning Behaviours

Empowering young scholars through core principles and fundamentals to inspire lifelong adventures in learning.
