

05 February 2021

Dear Parent/Carer

I am writing to thank you once again for your absolutely amazing support with remote learning. Over 90% of our students are attending online and that is testament to the hard work and dedication of parents and carers. You should all be quite rightly proud of the excellent attitudes being demonstrated by your children; the mature nature of their participation and the high standard of quality work being produced demonstrates that we are all truly working together during a very difficult time.

Thank you also for your understanding this week when we had to close the school due to snow. At least one positive is that even during closure we are able to continue to provide your children with an education – although I suspect not all children are pleased with this new response to a snow day! There are weather warnings that there could be further disruption next week, so if you are sending your child to school, please do check for updates. Please also note that school will be closed on Friday 12 February 2021 for a pre-planned INSET day, so no remote teaching will be taking place.

I have no further updates around when school will be formally re-opening, so like you, I am waiting for the government to announce this decision. Please be assured that as and when we receive this information we will do whatever is right to keep everyone safe and well.

As we all remain uncertain as to what the future will look like, it is really important that as a school we do everything we can do to support everyone in our community. I am really keen that you get in touch if there is anything that you think we can do as a school to best look after the most vulnerable in our community. It is so important that we use this as an opportunity to build something even stronger for everyone.

Once again, thank you for the many messages of thanks and support you are sending through to school. As I have said before, please do not ever under-estimate how much they mean to us.

Please keep safe and I will be in touch soon.

Best wishes

Mrs J Wilson

Principal
