Password: 54321

03000 110 110 (North Yorkshire and Barnsley)
0808 808 2241 (Sheffield)

Focus on Carnegie Medal Shortlist 2021

The Girl Who Speaks Bear – Sophie Anderson

The Girl Who Speaks Bear is interwoven with traditional stories of bears, princesses and dragons. It is the story of Yanka who was found in a bear cave when she was a baby and raised by her foster mother Mamochka, she's always wondered where she came from. Yanka has always felt like an outsider but when something very unusual begins to happen to her, it's the push she needs to leave her village on a quest to discover her family, her origins and who she really is.

Yanka's journey is a splendid magical adventure

A real treat of a book.
