Welcome back to all our students and families! We hope you have had a great summer! A warm welcome to our new Year 7 students and their families. We're looking forward to working with you all and very excited for the new academic year ahead!

Word of the week:

Assiduous

Assiduous is a formal word that means "showing great care, attention, and effort."

// Thanks to the assiduous efforts

of the local land trust over many years, a substantial amount of whip-poor-will habitat is now protected from economic development.

Behaviour Curriculum

We have been working very hard delivering Astrea Academies Trust behaviour curriculum to all the students this week. Please see our website for all updated policies regarding behaviour and uniform.

Music Lessons

Instrumental lessons are available for everyone. If you would like to have piano, keyboard, electric guitar, acoustic guitar, bass guitar, vocals or drum kit lessons then you need to pay on parent pay. When you have paid you then come and find me (Mrs Davis) and I will tell you when your lessons will be taking place.

Take advantage of the reduced cost of lessons while you are in school and see how you enjoy it. You pay for them termly so you decide at the start of every new term if you want to continue.
