### Music Lessons

Instrumental lessons are available for everyone. If you would like to have piano, keyboard, electric guitar, acoustic guitar, bass guitar, vocals or drum kit lessons then you need to pay on parent pay. When you have paid you then come and find me (Mrs Davis) and I will tell you when your lessons will be taking place.

Take advantage of the reduced cost of lessons while you are in school and see how you enjoy it. You pay for them termly so you decide at the start of every new term if you want to continue.

**Mrs Davis** 

#### Extra Curricular

The extra curriculuar timetable is included in the newsletter for week A and week B.

#### PTA (Parent Teacher Association)

We would like more members for our Parent Teacher Association. This will give parents and carers to meet as a group every half term to discuss future ideas for the school and participate in adult learning sessions. If you think this is something you would be interested in, please register your interest:

however, Her Majesty's health declines and she passes away months later, aged 96. After 70 years of rule, Queen Elizabeth II leaves a legacy of lasting affection and respect from people not only in the UK, but around the whole world.

#### Did you know?...

## Rest well, Your Majesty - and thank you.

The Queen received her first Corgi, Susan, as an 18th birthday present. She loved that bree of dog throughout her life, going on to own another 30 of them.

In 1982, a mentally ill man broke into the palace and reached the Queen's bedroom! Reports suggest Her Majesty calmly kept him talking for 10 minutes until the security team arrived.

The Queen took the unusual step of inviting a TV documentary crew into Buckingham Palace in 1969. This let people see the Royal Family in a way they'd never been able to before.

To help launch the 2012 Olympics in London, Her Majesty featured in a short film where she meets super-spy James Bond, as played by Daniel Craig.
