Uniform Expectations

At Astrea Academy Darne, we have high expectations of our scholars and we believe all scholars should wear their uniform with pride throughout the school day. Astrea Academy Dearne has carefully selected smart but affordable uniform that can be purchased through this link: <https://www.vortexschoolwear.co.uk/Secondary-Schools/Astrea-Academy-Dearne/>

We only allow blazers, skirts, ties and PE polo shirts that are purchased through our nominated supplier, Vortex. This is a way in which we ensure that all of our scholars look as smart and as professional as each other. Our supplier also offers shirts and trousers, as well as other items, but it is not compulsory for parents to purchase these items through our supplier.

Vortex can be contacted using the following details:

In support of our values, uniform achieves three important objectives:

- **It encourages a sense of community identity and pride.** By wearing the same badge and the same clothing, scholars are encouraged to think of the needs of the community as well as their own individual needs.
- **It encourages our scholars to develop habits for life.** By learning to, for example, polish their shoes, fold trousers or hang up their blazers, scholars learn the habits of discipline and personal responsibility that will stay with them for life.
- **It prevents unkindness or bullying while keeping costs down.** By requiring all our scholars to wear the same low-cost uniform, we reduce the incentive for scholars to ask parents for the latest (and most expensive) items of fashion. As a result, costs are kept as low as possible and no child can be seen to be poorer or wealthier than any other.

Parental support is imperative in supporting the high expectations Astrea Academy Dearne has. If parents are unsure if uniform meets Astrea's policy, please contact the academy prior to purchasing any item(s). Uniform should be worn correctly and if a scholar's uniform does not meet the required expectation, negative points will be awarded to scholars, in line with the behaviour policy. If a scholar arrives at the academy without the correct uniform, they will be provided with the correct uniform to wear. If a scholar refuses to wear borrowed uniform, the scholar will stay in the Reset Base until a parent or carer can bring in the correct uniform or remain in Reset Base until the end of the academy day.

We understand that, for some families, finances are tight. We believe that, by doing all we can to keep items of fashion out of school, we help families to keep costs down. Nevertheless, if you do have an individual problem, or you are unsure about an item of clothing, please do not hesitate to contact your child's Pastoral Leader who will deal with your enquiry in the strictest confidence.

Blazers

Scholars are expected to wear the school blazer with the sleeves rolled down at all times during the school day. Blazers must be purchased from our approved supplier: <https://www.vortexschoolwear.co.uk/> During warmer Summer months, staff will inform scholars when blazers are not expected to be worn. This will be at the discretion of the school.

Trousers

Trousers can be purchased from any uniform supplier and should be full length, tailored, loose fitting and long enough to touch the shoe when a scholar is standing. Trousers should be plain black with no studs, patterns, rivets or back pockets. Tight fitting trousers, trousers with stretchy material, leggings, jeans and jeggings are not permitted. Trousers which cling to the ankle are not to be worn at school.

Skirts

If your child wishes to wear a skirt, you must purchase this from our approved supplier: <https://www.vortexschoolwear.co.uk/>.

Skirts must be knee length and include the school logo. Any scholar requiring a shorter length than is available to purchase from Vortex will be able to purchase this directly from school by making a fitting appointment. Skirts worn above the knee will not be acceptable and will need to be replaced. It is not permissible to alter the skirt in any way and if alterations are made, a new skirt will need to be purchased at the expense of parents and carers. Any other brand or style of skirt is not permitted. Black tights must be worn with skirts.

Shirts

Shirts must be completely white with no logos and either short or long sleeved with a top button present and fastened at all times. Scholars must always have shirts fully tucked in and sleeves rolled down under blazers.

Ties

Ties must be worn at all times and can be purchased from either our approved supplier or from the school shop <https://www.vortexschoolwear.co.uk/>

Socks and tights

Plain black socks or tights only. No white or patterned socks and tights are permitted. Socks must be ankle socks, covering the ankle bone and trainer socks are not permitted. A combination of tights and socks is not permissible.

Jumper (optional)

An optional **plain black, knitted, v neck** jumper may be worn underneath the Academy blazer. The jumper must be completely black, plain and include no logos. The jumper must be V neck. Round neck, crew neck, roll neck and zip up neck jumpers are not permitted. The jumper must be knitted and not a sweatshirt. **The jumper is not a substitute for the academy blazer and it must be worn underneath the blazer.**

The jumper can be purchased from any uniform supplier. Vortex sell a suitable black v neck jumper here:

<https://www.vortexschoolwear.co.uk/> and consist of: Astrea Academy Dearne polo shirt, black tracksuit bottoms or leggings, black shorts, sports trainers, black socks and an elastic hair tie for long hair.

Cadet Uniform

Members of Astrea Dearne CCF should wear their uniform on their parade days instead of school uniform. Formal uniform consists of black or brown boots, MTP trousers, shirt, belt and beret. Cadets with long hair must wear their hair up in a net or bun at all times. Berets should be removed when inside school.

Hair

Hair should be a suitable, neat style. It should not be excessive and should have a natural colour/tone. Extremes of hairstyles or hair colour, **as decided by the academy**, are not acceptable in any circumstance. Hair that is shaved must be blended into the rest of the hair and not deemed as extreme. Hair that looks shorter than a 'number 2' cut will be considered extreme. The Principal's decision will be final.

- Retainers and ear stretchers are not permitted.
- No accessories are to be worn around the neck, wrists, and ankles or attached to clothing.
- Only academy badges are permitted.
- If scholars attend school wearing these items, these will be confiscated and need to be collected by parents or carers. No consideration will be given to scholars who elect to have nose, or additional ear piercings that may be at risk of healing over, and clear studs are not allowed.

Wearing the Uniform with Pride

Scholars are our ambassadors in the local community. Therefore, we expect all scholars to wear the full uniform correctly and with pride (e.g. with blazers on, ties on and with shirts tucked in), whilst on the academy premises and when travelling to and from the academy.

Key aspects of wearing the uniform correctly with pride are:

- No coats, hoodies or any other non-uniform outer clothing worn inside the school buildings
- Blazer always worn when moving around the academy
- Sleeves on blazers and shirts must not rolled up
- Top button fastened on shirt
- Shirt tucked in
- Tie worn correctly
- No jewellery, apart from one small stud in each ear and a watch.

The Principal will make all final decisions on uniform, whether it is deemed acceptable and in line with the expectations we have of all our scholars.
