

Long Term Plan: (Year 7/8 Athena) 2023-24

YEAR 7/8 ATHENA LONG TERM PLAN 2023/24

INTENT	Our Athena curriculum at Key Stage 3 aims to provide all SEND students with access to a broad, balanced and knowledge rich offer that is dominated by the basic skills of English and maths. We aim to accelerate the progress of students in these subjects in line with age-related expectation. We encourage students to graduate into mainstream lessons at the point that is right for them. The curriculum mirrors the mainstream offer through topic so that graduation, when appropriate, leading to a seamless transition.					
---------------	---	--	--	--	--	--
